Hospitality Requests from Brenda Lee Cottrell

1. Food & Beverage

- The performer requests provisions of (1) meal per person per day and sufficient water for setup/performance/teardown for a total of (3) three people.
- *Note: Brenda Lee is allergic to artificial orange/yellow food colouring.
- A cash buyout can be substituted for \$30. per meal per person for (2) Two band members and (1) Technician.

2. Accomodations

- The performer will require (1) One Double room for (2) Two People and (1) One Single Room for (1) Technician for (1)One night should the performance venue be more than three hours travel from Regina. - The accomodations must be considered safe, clean and modern and not more than 1/2-hour away from the performance venue.
- If less than (3) three hours travel from Regina, the performer requires a private change area for women and preferably a "green room". It is desirable the change area is close to the stage and has washroom facilities.

3. Runners

- The performer requests a personal assistant/liasson who knows the venue, to help where required, from load-in through performance to strike. Where agreed upon by contract, a qualified technical crew is required to set up the equipment before the performance and tear it down after.

4. Parking

- Parking must accomodate an equipment van and one other vehicle and be as close as possible to the load-in entrance.

5. Security

- Security personnel are requested to monitor backstage and off-limit areas to keep out unauthorized personnel during and after performance.

6. Passes

The performer requests

- (1) One Event Pass to be provided to each member of the Group, and
- (1) One Backstage Pass to be provided to each member of the Group.
